

Introducing

Howsafe can now supply GOJO, one of the world's leading hand care providers and the inventors of Purell.

In a nutshell, GOJO is generally cheaper per litre than other leading brands, and its effectiveness in removing soiling from hands is proven. To assist you in making the change, Howsafe will provide free dispensers and an additional 20% discount for a period of time.

Yes, we are really keen to switch you over to GOJO!

All you will need to do is assign someone to install the dispensers, and then it's winning all the way
