Stock update

Over the last few months we have run into huge problems obtaining safety footwear from Cofra in Italy.

I am pleased to be able to now report that in general terms we are well stocked - however there are certain styles where Cofra themselves have run out - including the popular Baffin - delivery date January!

Being a black SRC S3 boot, we do have a number of styles which are very similar to offer you as alternatives - my team may have already been in touch regarding this.

The main cause of the delays were down to the Customs Agents not being able to cope with the amount of work - to remedy this we nominated a new UK Customs Agent half way through August and since then we have seen deliveries arriving in approx 3-4 weeks, rather than nearly up to 8 weeks.

As you will know there are still issues with transportation but at least for now we are in a much improved situation.

A big thank you for your patience as we wade our way through these stock supply issues.

Peterborough Hedgehog Hotel

A couple of months ago we provided FOC clothing to support the Peterborough Hedgehog Hotel.

Since then Nick has come back to us to report that - "the clothing looks fabulous and has really helped us raise our profile, particularly when attending fundraising events".

Breast Cancer Charity Event

In July we received a letter from Primrose Morris, who was organising a tea party to raise funds for the "Support Breast Cancer Now Charity".

Primrose asked us if we could provide some sanitiser and hand towels to promote good hygiene for the attendees.

We were delighted to be able to help and were very pleased to hear that the event raised over £500!

Delicious Cupcake's

In August's newsletter we asked our customers to send us a review of our service.

The winner was Jayne Potts of IKO Insulations, who actually went one better and came up with the below - needless to say it made us smile.

We hope the team at IKO have enjoyed their cupcakes!
